

HALF MOON LAKE RESORT – COVID 19 POLICY

HELLO CAMPERS,

Thank you for taking the time to read our Covid-19 Advisory and for your continued patience as we work to provide a safe environment for you to camp at Half Moon Lake Resort. We are currently accepting new reservations and arrivals, and we ask that everyone follows all provincial requirements surrounding Covid-19. If you have any questions please email us at info@halfmoonlakeresort.com

During Covid any new reservations that are created are subject to our standard cancellation policy, unless otherwise specified by the Half Moon Lake Resort Manager. Our cancellation policy and all other policies can be found on our website www.halfmoonlakeresort.com

At Half Moon Lake Resort, we are doing everything within our ability to remain open and operating in the safest ways possible during the global Covid-19 pandemic. Our Covid-conscious camping operations have been structured upon all recommendations of the Alberta Health Services.

Please review the following questions before arriving:

- Do any of the members of your travelling party have the following symptoms of COVID-19: fever, cough, difficulty breathing, diminished taste or smell, runny nose, sore throat, muscle or body aches?
- Have any of your party had contact with a person with a confirmed or possible case of COVID-19 in the past 21 days?
- Has anyone in your party travelled outside of Canada in the past 14 days, or had contact with anyone that has just returned to Canada from abroad?

If you respond YES to any of the points above, we ask that you postpone travelling until the following conditions are met or until you have been tested for COVID-19 and have received a negative result:

- At least 10 days have passed since the onset of symptoms; AND
- Fever has resolved without the use of fever-reducing medication; AND
- Symptoms (respiratory, gastrointestinal, and systemic) have improved.

If you responded NO to the points above, it is important that you remain aware of special measures at Half Moon Lake Resort and comply with recent changes to government regulations and guidelines regarding COVID-19.

At this time group camping is not permitted. In order to maintain proper social distancing measures, there is a maximum of **6** people permitted on a site at any given time, unless all campers are from the same cohort.

More on-site changes to operations include mandatory masks in any buildings and social distance check-ins.

It is imperative that our guests behave in a socially responsible manner when it comes to the situation surrounding the Covid-19 pandemic.
